

Fire Retardant Systems

Our diverse range of performance fire retardant resins and gelcoats offer complete systems for the most demanding fire, smoke and toxic fume applications, meeting European and Global standards and performance ratings

WE THINK
INNOVATION

“ We at Galloway Boat and Mouldings have used Scott Bader’s Crestapol 1212 to produce Rail parts meeting ASTM E162 & E662 for a key customer. The product performs to a very high standard and meets our expectations at every step. ”
