As you know June and Brian are a retired couple (now in their 80's) that live in Kettering. 20 years ago after a holiday in the Gambia they decided to set up a charity to help the people who live in the village of Jambour in the Gambia Scott Bader has supported the endeavours of June and Brian since 1997 with funding for various projects ranging from standpipes and wells, to more recently money for their feeding programme and medical centre.
